Allen, TX 75013

FAIRHILLGOLFCLASSIC.COM

Now in its 26th year, the Fairhill Golf Classic has grown from a student-parent outing into a beloved corporate event for Fairhill School. Hosted at Twin Creeks Golf Course in Allen, the tournament draws 60-100 golfers annually for a fun-filled day, featuring a putting contest, Hole-in-One challenge, and many more. Thanks to our generous sponsors and players, we raise over \$10,000 each year. Special thanks to our committee and volunteers, and especially players and sponsors for making this event a continued success.

TOURNAMENT FORMAT

4 person Florida Scramble
Prizes for 1st, 2nd and 3rd place teams
Prizes for longest drive, closest to the pin and putting contest!!

REGISTRATION

Registration Begins: Sept. 1, 2025
Deadline: Wed. October 3, 2025

Dallas, Texas 75248

FAIRHILL MISSION

Fairhill School is a community of dedicated, caring, and experienced educators that empowers students who have learning differences. The student-centered curriculum focuses on differentiation, multi-sensory experiences, executive function development, and intervention for individualized learning needs. Fairhill fosters students' unique potential while guiding each one on their journey toward becoming confident 21st-century citizens.

HOW TO SPONSOR OR REGISTER

Supporting the Fairhill Golf Classic is more than a day on the course—it's a meaningful way to give back to a school that transforms the lives of students with learning differences. As a sponsor or player, you're not only helping fund vital programs and resources that directly impact these incredible kids, but you're also showing your support for a community that may include your own child or someone you care about. It's a day of fun, connection, and purpose—where every swing makes a difference.

Sponsorships and Player Registration
www.fairhillgolfclassic.com

Fairhill is a private, non-profit, college preparatory school serving students in grades 1 through 12. Fairhill's primary purpose is to provide a superior education for students of average and above intelligence who have been diagnosed with a learning difference such as Dyslexia, Dysgraphia, Dyscalculia, Auditory

Processing Disorder, or Attention-Deficit/Hyperactivity Disorder. Fairhill students possess the intellectual potential to succeed academically, often at superior levels. However, because of a learning difference, these students have frequently experienced frustration in traditional school environments. The result is that their past academic performance does not reflect their potential.
